Is there an age requirement?
Yes. Students who will turn 4 by September 1st, 2017 are eligible for screening.

Is my child guaranteed admission?
No. Student admission will be financial-need based. Only some Edgemere applicants will be automatically eligible and guaranteed a spot based on financial need. Therefore, we encourage all applicants to investigate alternative Pre-K options.

When is the screening and how can my child be screened?
Stop by the school to pick up a packet and give your name and contact information. You will be provided with a screening appointment.

Is there a wait list?
Yes. Once all automatically eligible students have been registered, a wait list prioritized by household income will be generated through August 10. On August 10, Edgemere Elementary will begin contacting students off the wait list until we reach 80% capacity. The remaining 20% of the seats will be offered to other students in the county who were determined to be automatically eligible based on financial need.

What happens if the Pre-K class is not filled?
In early September, if all of the seats have not been filled at Edgemere, we can continue to register Edgemere students off of the wait list.
